

# Filling an Object with an RGB Color

```
# create a rectangle with top-left corner  
# at (5,5) and bottom-right at (50,50)
```

```
r3 = Rectangle( Point(5,5), Point( 50, 50) )  
color = color_rgb( 200, 100, 150 )  
r3.setFill( color )  
r3.draw( win )
```
